A note from your doctor is required certifying that due to your medical condition, you are homebound and unable to travel to the library.

Please remember that we cannot always provide an exact author or title requested. We will do our best to select materials that are as close as possible. As soon as the desired material is available, we will send it with your next delivery.

In order to make this service successful, it is important that you keep us informed of materials you would like to borrow. When you return books, enclose a note, or call us at any time.

We are looking forward to serving you with our traveling library materials program. Pick up and delivery is at a mutually convenient time.
